Product Description

We've Got the Speed to Keep Up With Your Lawn

Designed to make yard work enjoyable and less time consuming, the heavy-duty **Craftsman 420cc* 30 inch six speed riding mower** gets the toughest lawn jobs done in a fraction of the time it would take with a more traditional mower. Save time and effort with **the six speed shift on-the-go transmission** that keeps you cruising comfortably without having to stop, brake or clutch to increase speeds. Its compact-size, ability to fit through small gates, and easy storage makes the Craftsman 420cc **30 inch riding mower** just right for maintaining smaller yards. With the robust 420cc engine and the five adjustable cutting heights that this **Craftsman riding mower** offers, you'll enjoy the power, flexibility and precision you need for keeping your yard looking beautiful. Its three-in-one single blade deck cuts a wide 30 inch path that considerably reduces mowing time. The reliable **Turf Saver Tires** provide greater grip to safely maneuver turns without tearing up your lawn, and the 18 inch turning radius gets you nimbly darting your way around difficult edges. The Craftsman tractor's **adjustable speeds** ranging up to 5.0 MPH in forward and up to 2.8 MPH in reverse ensure you have the ability to tackle any kind of terrain expertly while a front bumper keeps it protected. And that great performance includes the added feature in the **deck wash system**. Connect your home's garden hose to this system and easily clean out grass and debris under the deck so you're ready for the next ride.

Ergonomically designed 13 inch Soft Grip steering wheel with a telescoping handle, a comfortable mid-back seat and a cup holder are just some of the bonus features that make this **Craftsman 420cc six-speed riding tractor** feel like a joy ride. With lawn care made this pleasurable, you'll always have grass looking greener on your side!

- 420cc* Craftsman engine features a robust, heavy-duty design that can handle any small yard

- Features full pressure lubrication and spin-on oil filter for longer life
- Six Speed Shift on the Go transmission saves time by not having to stop, brake or clutch to increase speeds
- 30 in. 3 in 1 single blade deck provides great cutting performance while its size allows it to fit through small gates and store easily; maximum assembled width of mower is 34 in.
- 5 cutting heights from 1.5 in. to 4 in. provides flexibility and precision
- Turf Saver Tires prevent skidding and grass damage while making turns
- Easy Mounting with unobstructed viewing of the terrain in front
- 14 gauge welded steel frame is rugged and durable
- Telescoping steering column offers customized height adjustment
- 1.3-gallon gas tank with sight gauge gives you more mowing time between fill ups
- Front bumper protects the tractor
- Medium back seat for a more comfortable ride
- 13 in. Soft Grip ergonomically designed steering wheel is easy to grip and control
- Deck wash system cleans out grass and debris build-up under the deck
- Cup holders for your favorite beverage
- Navigate around obstacles and against edges with 18 in. turning radius
- Tackle different types of terrain with adjustable speeds that range up to 5.0 MPH in forward and up to 4.5 MPH in reverse
- Mulch kit item #3352 sold separately
- 2-year limited warranty backed by Sears In Home Service
- This item is not for sale in California
