Product Description

This Craftsman Horizontal Compressor Powers through Tough Jobs

Equipped with an oil-less 1.5 horse power direct drive motor, this 20 gallon compressor recharges its huge capacity fast, so have the power to drive nails, top off tires and spin impact wrenches, whenever you need it. Featuring a rugged steel shell protected from corrosion by a layer of enamel, and affixed with a pair of large, easy rolling wheels, it's built to move. From all day work on the jobsite to small repairs at home, this horizontal

compressor rolls in fast, charges up and helps you get the job done. Rugged, tough and never needing a drop of oil, add this compressor to your tool kit and get to work with Craftsman.

- Craftsman horizontal compressor features a vast 20 gallon tank
- Huge capacity means less time recharging while you work
- Oil free pump w/1.5HP direct drive induction motor fills the tank fast
- Durable, maintenance-free operation
- Equipped with a handle and large wheels it transports fast
- Easier to move than vertical models
